

Google Open Source Peer Bonus

August 2, 2021

Dear Cuong Manh Le,

On behalf of Google Open Source, I would like to thank you for your contribution to The Go programming language.

We are honored to present you with a Google Open Source Peer Bonus. Inside the company, Googlers can give a similar bonus to each other for going above and beyond, so this is just a small way of saying thank you for your hard work and contributions to open source.

We hope you enjoy this gift from all of us at Google and Dan Scales who nominated you.

Thank you again for supporting open source! We look forward to your continued contributions.

Best regards,

Chris DiBona
Director of Google Open Source
